

Dickson Boateng

Frontend Developer

Summary

A Frontend Developer with a solid background in creating responsive, high-performance web applications.

Skilled in modern frameworks such as React.js and Next.js, with a strong command of JavaScript. I also have practical experience in building advanced custom WordPress websites and e-commerce platforms.

Work Experience

Sept 2021 - Jul 2023

FreeCodeCamp & ContentLab (Remote)

Freelance Technical Writer

- Collaborated with multiple content strategists and editors to produce over six pieces of technical content about programming and software.
- Conducted keyword research and applied SEO best practices to enhance content visibility and engagement.

Sep 2024 - Present

WopeDigital (Remote)

Web Developer (Full-time)

- Developed and maintained advanced WordPress websites, including business websites, eCommerce platforms, membership systems, booking and reservation systems, and bespoke PHP solutions with custom integrations and backend enhancements.
- Designed logos, marketing assets, and other visuals using Canva, Photoshop, and Photopea to support client branding.

Mar 2025 - Present

Bold Pixels GH

Co-Founder & Creative Director

- Co-founded and managed an online clothing brand specializing in illustration-driven graphic T-shirts.
- Designed, developed, and maintained a secure e-commerce website using WordPress and WooCommerce
- Integrated payment gateways and third-party APIs to enhance functionality.
